

I want to support the UNL Department of Mathematics.

Name _____

Address _____

City _____ State _____ ZIP _____ Country _____

E-mail _____ Phone _____

- Enclosed is my check for \$_____. Please make check payable to the University of Nebraska Foundation.
- Please charge \$_____ to my:
- Visa Mastercard Discover American Express

Please mail contribution to:

University of Nebraska Foundation
1010 Lincoln Mall, Suite 300
Lincoln, NE 68508

Card Number

Exp. Date

Signature

I would like my gift to support the following areas in the amounts specified:

\$_____ **Mathematics Department Fund:** An expendable fund that enables the chair to support department priorities such as faculty recruitment, outreach activities, research visitors, student events and conferences.

\$_____ **Arthur and Susan Mastera Excellence Fund:** Established in honor of Professor Walter Mientka, the fund supports teaching excellence and mathematics education.

\$_____ **Chair's Prize in Mathematics:** A fund that supports an annual prize to the department's outstanding senior math major.

\$_____ **Don Miller Fund:** Established in memory of Professor Don Miller, the fund supports mathematics education projects led by faculty in the department.

\$_____ **Emeritus Faculty Fellowship Fund:** A fund that honors emeriti faculty and supports fellowships and awards for outstanding graduate students.

\$_____ **GC and WH Young Fund:** Established to honor Professor Sylvia Wiegand's grandparents, both of whom were well known mathematicians, the fund annually supports a prestigious award to one of our most outstanding graduate students.

\$_____ **Howard E. Rowlee Jr. Fund for Mathematics Research:** This fund supports the annual Howard Rowlee Lecture and related research activities.

\$_____ **Jim and Doris Lewis Fund:** The department has broad flexibility in use of these funds, but priority is given to projects that encourage participation of women in mathematics or encourage teaching excellence. This fund supports the Edith T. Hitz and Marilyn M. Hitz research assistant professors program.

\$_____ **Math Teachers for the 21st Century Expendable Fund:** This fund provides fellowships to enable Nebraska K-12 mathematics teachers to take graduate coursework to enhance their knowledge of mathematics and the teaching of mathematics. Funds not used to support fellowships in Summer 2011 will be added to the Math Teachers for the 21st Century Endowed Fund.

\$_____ **Rennemann/Luebbers Fund:** A fund that supports scholarships for math majors from outside the State of Nebraska.

\$_____ **Ruby Matzke Whittemore Fund:** Established in honor of Ruby Matzke Whittemore, the fund supports undergraduate scholarships, with preference given to students from Norfolk, Nebraska.

I would like to discuss the possibility of establishing a new fund at the University of Nebraska Foundation in support of the work of the Department of Mathematics at UNL. (Please contact John Meakin if you wish to discuss this.)

I would like to make this donation anonymously.

Campaign Code: 1LA&S10-MATH

In addition to these funds which support a variety of department programs, we benefit from campuswide funds that support undergraduate scholarships, graduate student fellowships and six distinguished professorships including the Dale Jensen Chair in Mathematics and the Milton Mohr Chair in Mathematics.

Thank you for supporting the activities of the UNL Department of Mathematics.
