Tenure-track position with emphasis in Mathematics Education

Position: The University of Nebraska-Lincoln (UNL) Department of Mathematics, College of Arts and Sciences, seeks to fill an open rank (Assistant, Associate, or Full Professor) position that will contribute to the university’s nationally recognized program of excellence in the mathematical education of teachers. Academic rank and tenure status will depend on the successful candidate’s credentials and experience.

Qualifications: Successful candidates must have an earned doctorate in mathematics or a related field. Commensurate with rank, a record of scholarly achievement, outstanding teaching, and participation in externally funded projects is expected. Evidence of capacity to contribute to the intellectual, research, and instructional life of UNL is essential. National leadership in mathematics education and evidence of success in obtaining and leading externally funded projects are desirable for candidates seeking appointment at an advanced rank.

Starting Date: August 2013

First Review: Review of applications will begin November 30, 2012, and continue until a suitable candidate has been selected.

Duties/Responsibilities: Engage in research, teaching, program development and other scholarly activities. Teaching duties will emphasize mathematics courses for teachers. The successful candidate will work with faculty in the department and the Center for Science, Mathematics and Computer Education in ongoing projects; to pursue individually and with others externally funded projects that further develop a nationally recognized program in the mathematical education of teachers; and to develop partnerships with Nebraska schools and districts.

Rank/Salary/Benefits: Rank, salary and tenure status will be negotiated. UNL makes available life, health, and long-term disability insurance programs as well as family coverage at reasonable group rates to the employee. TIAA/CREF and/or Fidelity Investment Fund are offered as retirement plans.

Applications: Applicants should submit a letter of application, a CV, statements addressing their research and teaching, and three or four letters of reference, at least one of which should address teaching, to:

Mathematics Teacher Education Search Committee Chair
Department of Mathematics
203 Avery Hall
University of Nebraska-Lincoln
Lincoln NE 68588-0130

Applications are encouraged to use the AMS application cover sheet and to submit their applications via mathjobs.org. In addition, to be considered for the position, applicants must also complete the Faculty/Administrative application at http://employment.unl.edu, requisition # 120692.
