

Postdoctoral Position in Mathematics

- Positions:** One three-year, non tenure-track Research Assistant Professor position, Department of Mathematics, College of Arts and Sciences.
- Qualifications:** The successful candidate should have a Ph.D. in the mathematical sciences and outstanding potential for research and teaching in mathematics. Preference will be given to applicants within three years of having received the Ph.D. Candidates should be able to establish a strong independent research program and to work with an appropriate mentor in an area in which UNL's mathematics faculty is currently active.
- Starting Date:** August 2010
- First Review:** Review of applications will begin November 16, 2009, and continue until a suitable candidate has been selected.
- Duties/Responsibilities:** Teaching responsibilities include graduate and undergraduate courses in mathematics.
- Salary/Benefits:** A three-course teaching load for the academic year and a starting AY salary of \$47,000 is anticipated. Additional travel support and some summer salary is provided. UNL makes available life, health, and long-term disability insurance programs as well as family coverage at reasonable group rates to the employee. TIAA/CREF and/or Fidelity Investment Fund are offered as retirement plans.
- Applications:** To be considered for the position, applicants must complete the Faculty/Administrative Information Form at <http://employment.unl.edu>, requisition #090506.
- Applicants should send a letter of application, a CV, statements addressing their research and teaching, and three or four letters of reference, at least one of which should address teaching, to mathjobs.org or to:
