

**Journal 5**

The instructor asked the class to list three preferences on the chapter they would like to cover in the rest of the class. The following are the preferences. The columns represents the choices for each voter. The first row will give the first preference, the second row the second preference and the third row is the third preference.

9	9	9	9	11	18	9	9	9	9	9	13	15	12	9	12	14	9	9
18	14	18	13	16	16	12	20	19	20	10	9	16	16	10	15	13	10	17
17	18	17	10	14	12	10	19	20	19	19	15	17	9	16	9	16	15	14

What chapter do you think we should do next? Write a short essay explain how did you get to your conclusion.
