Math 203
Plans for the First Day of Class

1. Introduction

2. Distribute to all students:
   - Blank information sheet
   - Class policies sheet

3. Go over information on the class policies sheet.

4. Have information sheets filled in and returned.

5. Do some sort of “get to know people” activity. Depending on your personal style, this could be:
   - a “name game”
   - a group activity using the Two Excerpts sheet and the Reading Mathematics sheet

6. Assignment for next class
   - Purchase text if you haven’t already done so.
   - Read pages 0-10.
   - Reading Homework (turn in at start of class for extra credit): Chapter 1, #14.
