

Math 850 Fall 2009

Homework #2

Due Thurs Sep 10 by noon

Warmup Problems: Section 1.2 #4,6,9,10,30,39. Do not write up! These are easier or shorter problems intended to check understanding of concepts.

Other Problems: Section 1.2 #11,12,17,18,23,26,32,33,36,41,44. Do not write up! Think about some that look interesting, as time permits. These may be easier or harder than the written problems.

Written Problems: Do four of the following problems. Start work early; the problems take time. The homework is intended to help students become comfortable using the ideas from the course.
