

**Warmup Problems:** Section 2.2 #1,3,4,7,8,9,10. Do not write up! These are easier or shorter problems intended to check understanding of concepts.

**Other Problems:** Section 2.1 #42,49,51,55,60,62,65; Section 2.2 #13,16,24a,27,28,29. Do not write up! Think about some that look interesting, as time permits. These may be easier or harder than the written problems.

**Written Problems:** Do four of the following problems. Start work early; the problems take time. The homework is intended to help students become comfortable using the ideas from the course.

Section 2.1: #48; Section 2.2: 18,24b,33,36
