

Warmup Problems: Section 12.1 #2,3,5; Section 12.2 #1,2,3,4,6. Do not write up! These are easier or shorter problems intended to check understanding of concepts.

Other Problems: Section 12.1 #7,8,11,12,17,20; Section 12.2 #14,17,19,30 Do not write up! Think about some that look interesting, as time permits. These may be easier or harder than the written problems.

Written Problems: Do four of the following problems. Start work early; the problems take time. The homework is intended to help students become comfortable using the ideas from the course.

Section 12.1 #6,16,18; Section 12.2 #18,34
