

Warmup Problems: Section 9.1 #1,2,4,5,6,8; Section 9.2 #1,2,3,4; Section 9.3 #1,3,5. Do not write up! These are easier or shorter problems intended to check understanding of concepts.

Other Problems: Section 9.1 #11,18,19,24,26,36,48,52; Section 9.2 #6,8,9,10,12,13; Section 9.3 #7,8,9,14,23. Do not write up! Think about some that look interesting, as time permits. These may be easier or harder than the written problems.

Written Problems: Do four of the following problems. Start work early; the problems take time. The homework is intended to help students become comfortable using the ideas from the course. Section 9.1 #37,54; Section 9.2 #6,11; Section 9.3 #10.
