

## KUMUNU 8 DINNER PARTY

**Where?** 2400 Sheridan, Lincoln (home of Roger and Sylvia Wiegand)

**When?** 6:30 – 10:30 PM, Saturday, September 20, 2008. Appetizers and drinks (beer, wine, pop) will be available at 6:30. Dinner (buffet) will be served about 7 PM.

**How to get there.** The house is on the southeast corner of Sheridan and Park. It is one block west of 27<sup>th</sup> Street and three blocks south of South Street. It's about a mile east and two miles south of Avery Hall (where the talks are held).

**From Avery Hall, Embassy Suites or Holiday Inn:** Go south about 2 miles and east about a mile. By car, take 9<sup>th</sup> or 16<sup>th</sup> south for about two miles to South Street (half a mile south of 'A' Street). Turn left (east) on South Street, go to Sheridan Boulevard (about where 25<sup>th</sup> should be), turn right, and go three blocks. If you miss Sheridan, turn right on 27<sup>th</sup> Street (traffic signal), go south three blocks, turn right on Park, and go one block west to Sheridan.

**From Rogers House B&B:** It's about a mile. Go south about 11 blocks and east about 4 blocks. (There are 14 blocks per mile in Lincoln.) **Better:** Take a little side trip to the Sunken Gardens, on the west side of 27<sup>th</sup> Street, between 'C' and 'D'. It's well worth the extra couple of blocks.

**From the Suburban (formerly Townhouse):** Walking: Consider following the bike path south and slightly east, along Antelope Creek, to the Sunken Gardens at 27<sup>th</sup> and 'D'. You can get on the path near 'M' and 21<sup>st</sup> and get off just before the long underpass that crosses 27<sup>th</sup> Street and Capitol Parkway. From the Sunken Gardens you can walk down 26<sup>th</sup> Street, cross South Street, and continue on Sheridan to our house. Driving: Go south on either 18<sup>th</sup> or 19<sup>th</sup> Street a few blocks to 'K' Street and turn left. Follow 'K' Street, which soon becomes Capitol Parkway, to 27<sup>th</sup> and take a gentle right turn. Follow 27<sup>th</sup> south about a mile to Park Street (3 blocks south of South Street). Turn right and go a block to Sheridan Boulevard.
